**Fran Fisher** is a Master Certified Coach (MCC), visionary leader, international speaker, and published author. She provides coaching services for individuals, entrepreneurs, executives, and collaborative work teams.

In 1991, Fran founded the *Living Your Vision*<sup>®</sup> (LYV) a process for empowering individuals in transforming their visions into reality. She launched a Licensing Program for coaches to deliver LYV with their own clients. In 1997, Fran founded the Academy for Coach Training, and established the *Living Your Vision* process at the core of the curriculum. Shifting her focus to private practice, more writing and speaking, in 2005 Fran sold the LYV and ACT businesses and associated trademarks to I & AM, LLC dba inviteCHANGE, located in Edmonds, Washington, USA.

Fran is recognized internationally as one of the pioneers and champions for coaching. She served as chair of the Credentialing Committee of the International Coach Federation (ICF) and she was the first Executive Director of the Association for Coach Training Organizations (ACTO). Currently, Fran is an exam assessor for ICF, helping aspiring coaches to become accredited.

*"My passion is providing inspired guidance, support, and coaching, helping people liberate their personal power and manifest their highest visions. I work with visionary leaders, helping them fulfill their highest aspirations. I blend the art of visioning, the structure of strategic planning, and my intuitive ability to empower my clients to greater success and fulfillment."*

Before becoming a professional coach, Fran was highly successful in her career as a national real estate marketing director and Certified Property Manager (CPM). Realizing that she wanted more out of her life, she began developing a life vision that encompassed every area of her life. Working toward that vision, Fran enhanced and extended her intuitive and coaching skills by attending continuing education and personal growth courses. In 1998, she earned her Master Certified Coach designation from the International Coach Federation.

Currently living in Bellevue, Washington, Fran is a contributing author to the Simon and Schuster bestseller [Chocolate for a Woman's Soul](#), and a contributing author to [A Guide to Getting It, a Clear Compelling Vision and A Guide to Getting It, Passion and Purpose](#) and [No Winner Ever Got There Without a Coach](#). In her leisure time, Fran enjoys her grandchildren, gardening, ballroom dancing, and long walks on ocean beaches.
